les boucles while

While

```
while (condition){
    ...
}
```

Do while

```
do {
    x = getX()
    ...
} while (x > 10)
```

While + Break

```
while (condition) {
    // action 1
    if (breakCondition) {
        break
    }
    // action 2
}
```
